SAMUEL OYEBAMIJI | DATA ANALYST/SCIENTIST

princeola2004@gmail.com | Ibadan, Nigeria |+2349135989056 |LinkedIn | My Portfolio

PROFESSIONAL SUMMARY

Detail-oriented Data Analyst with 3+ years of experience transforming raw data into actionable insights that drive strategic business decisions. Proficient in using SQL, Excel, and Python to analyze large datasets, reducing reporting time by 40% and increasing forecasting accuracy by 25%. Skilled in data visualization with Power BI to present trends and performance metrics to stakeholders.

CORE COMPETENCES

- Data Cleaning & Transformation
- SQL & Database Management
- Python for Data Analysis (Pandas, NumPy)
- Data Visualization (Power BI & Excel)
- Dashboard Creation & Reporting
- Statistical Analysis & A/B Testing
- Business Intelligence (BI) Tools
- Forecasting & Trend Analysis
- Data Mining & Predictive Analytics
- Excel (Pivot Tables, VLOOKUP, Macros)
- ETL Processes
- KPI Development & Tracking

RELEVANT EXPERIENCE

DATA ANALYST
09/2024 - Present
Elite Global
- Cleaned and validated large datasets (1M+ rows), improving data accuracy by 98%.
- Created complex SQL queries to extract and analyze customer data, reducing data retrieval time by 50%.
- Designed interactive dashboards in Power BI to monitor sales performance, leading to a 20% increase in team productivity.
- Conducted trend analysis and forecasting that improved inventory planning and reduced stockouts by 30%.

DATA ANALYST TRAINER
07/2023 - Present
Coven Academy
- Designed and updated 10+ data analytics modules covering Excel, SQL, Python and Power BI, increasing course completion rate by 35% and aligning with evolving industry standards.

- Facilitated over 100+ live training sessions and workshops, resulting in a 90% trainee satisfaction rate and improved learner competency in real-world data projects.
- Assessed 100+ trainees through practical assignments and capstone projects, with 85% demonstrating measurable improvement in data interpretation and visualization skills.
- Mentored 50+ aspiring analysts, with 70% securing internships or job placements within 3 months of course completion through personalized career coaching and portfolio development.

DATA ANALYST INTERN
05/2022 - 11/2024
Pediforte

- Delivered weekly and monthly reports to senior management, helping drive data-backed decisions.
- Worked closely with marketing and product teams to analyze campaign performance, boosting ROI by 18%.
- Performed A/B testing on product features, contributing to a 12% increase in user engagement.
- Automated data pipelines using Python scripts, cutting down manual reporting efforts by 40%.
